#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Management of Catholic Charities of the Diocese of Baton Rouge, Inc. Baton Rouge, Louisiana

#### Report on the Financial Statements

We have audited the accompanying financial statements of Catholic Charities of the Diocese of Baton Rouge, Inc. (CCDBR or the Organization), a non-profit organization, which comprise the statement of financial position as of June 30, 2013, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to CCDBR preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CCDBR's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Catholic Charities of the Diocese of Baton Rouge, Inc. as of June 30, 2013, and the respective changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters - Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards on pages 19-21 is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### Other Reports Required by Government Auditing Standards

ostlethwaite & Netterrille

In accordance with Government Auditing Standards, we have also issued a report, dated December 30, 2013, on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering CCDBR's internal control over financial reporting and compliance.

#### NOTES TO FINANCIAL STATEMENTS

#### 1. Summary of Significant Accounting Policies

#### a. Nature of Activities

Catholic Charities of the Diocese of Baton Rouge, Inc. (CCDBR or the Organization) is a non-profit corporation which was organized under the laws of the State of Louisiana on April 2, 1975, to promote organized charitable welfare and social service work for the moral betterment of all persons.

#### b. Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting, and accordingly, reflect all significant receivables, payables, and other liabilities.

#### c. Promises to Give and Revenue Recognition

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. All contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted depending on the existence or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets.

The Organization uses the allowance method to determine uncollectible unconditional promises to give. The allowance is based on prior years' experience and management's analysis of specific promises made. Management feels that all promises to give are collectible, and as such, no allowance for doubtful accounts has been established.

#### d. Grants Receivable

Grants receivable represents amounts owed to the Organization for costs incurred under federal and state grant contracts which are reimbursable to the Organization. Grants receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on grants receivables using the allowance method. The allowance is based on experience with collections from granting agencies. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Organization's policy to charge off uncollectible contracts receivable when management determines that the receivable will not be collected. Management feels that all receivables are collectible, and as such, no allowance for doubtful accounts has been established.

#### e. Unrestricted Net Assets

It is the recommendation of the Board of Directors and management of the Organization that four to six months operating expenses should be accumulated and maintained as unrestricted net assets in order to cover unreimbursed overhead expenses associated with grant awards and other contingencies, and due to the uncertainty and irregularity in the timing of grant receipts from its federal and state programs.

#### **NOTES TO FINANCIAL STATEMENTS**

#### 1. Summary of Significant Accounting Policies (continued)

#### f. Property and Equipment

Property and equipment are stated at cost or, if donated, at the estimated fair market value at the date of donation. Maintenance and repairs are charged to expense, while additions and improvements in excess of \$1,000 are capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, which range as follows:

Furniture and equipment Shelters 3 - 10 Years 20 - 25 Years

#### g. Donated Services

A significant portion of CCDBR's functions are conducted by unpaid volunteers. The value of the contributed time is not reflected in the accompanying financial statements since the services do not meet the criteria for recognition under accounting principles generally accepted in the United States of America. See Note 5 regarding in-kind contributions.

## h. Cash and Cash Equivalents

For purposes of the statement of cash flows, cash equivalents include any highly liquid investments with original maturities of three months or less.

#### Allocation of Expenses

The costs of providing the various programs and other activities of the Organization have been summarized on a functional basis in the statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and the supporting services benefited based on management's estimates.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

#### k. Income Taxes

The Organization is a non-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

#### NOTES TO FINANCIAL STATEMENTS

#### 1. Summary of Significant Accounting Policies (continued)

#### k. Income Taxes (continued)

The Organization recognizes the effect of income tax positions only if the positions are more likely than not of being sustained. Recognized income tax positions are recorded at the largest amount that is greater than 50% likely of being realized upon settlement with a taxing authority that has full knowledge of all relevant information. The determination of whether or not a tax position has met the more-likely-than-not recognition threshold considers the facts, circumstances and other information available at the reporting date and is subject to management's judgment. Changes in the recognition or measurement are reflected in the period in which the change in judgment occurs. The Organization has evaluated its position regarding the accounting for uncertain income tax positions and does not believe that it has any material uncertain tax positions.

With few exceptions, the Organization is no longer subject examinations by taxing authorities for years before June 30, 2010.

#### 2. Grants Receivable

The detail of grants receivable as of June 30, 2013, is as follows:

Match Grant	\$ 10,397
Immigration and Refugee Services (Legal)	60,319
Employment Services	19,550

United States Conference of Catholic Bishops	 51,640
•	\$ 511,646

#### NOTES TO FINANCIAL STATEMENTS

#### 3. Property, Furniture and Equipment

Property and equipment acquired by the Organization is considered to be owned by the Organization. However, the State of Louisiana maintains the title to the property and equipment purchased in whole or in part under contracts/grants funded by the State of Louisiana. The State has the right to require the transfer of the property and equipment (including title) to the State or to an eligible non-state party named by the State. Such transfer may occur at any time.

The composition of property, furniture and equipment at June 30, 2013 was as follows:

Land and shelters	\$ 2,075,791
Furniture and equipment	509,793
	2,585,584
Accumulated depreciation	(850,618)
1	\$ 1,734,966

Depreciation expense totaled \$123,186 for the year ended June 30, 2013.

#### 4. Due to United States Conference of Catholic Bishops

The Migration and Refugee Services Program established a revolving account with the United States Conference of Catholic Bishops (USCCB) for the purpose of resettling refugees. In accordance with the revolving account agreement, these funds are to be returned to the USCCB upon the termination of the program. As of June 30, 2013, the balance due to USCCB amounted to \$5,500.

#### 5. Related Party

CCDBR has a relationship with the Catholic Diocese of Baton Rouge (DOBR) that includes participation in Diocesan benefit programs, and considerable savings on rent, insurance, telephone, and other equipment usage. For the year ended June 30, 2013, these in-kind contributions have been recorded as revenue with the offset being recorded as expenses in the amount of \$162,541.

In addition, revenues from DOBR include \$91,102 to subsidize the Joseph Homes program, \$178,899 to subsidize the Maternity and Adoption program, and \$143,928 to subsidize the Case Management program. The remaining \$659,053 was used to fund other programs within the organization.

Due to the nature of CCDBR's organization, the funding is expected to continue for the duration of these program operations of CCDBR.

#### NOTES TO FINANCIAL STATEMENTS

#### 6. Due to Catholic Diocese of Baton Rouge

The Catholic Diocese of Baton Rouge provided financing for CCDBR on August 3, 2005 to acquire a house used for shelter for clients in need. The loan amount was \$55,000, is being repaid in 199 monthly installments and is unsecured. The interest rate on the note is 3.50%. Interest expense incurred on this loan during the year ended June 30, 2013 was \$1,156. The following schedule shows the future payouts of the note:

For year ending June 30,	
2014	4,031
2015	4,175
2016	4,324
2017	4,477
2018	4,637
Thereafter	9,257
	\$ 30,901

#### 7. Note Payable - Office of Community Development

CCDBR received \$136,000 as part of a loan agreement with the Office of Community Development. These funds were to be used for the rehabilitation of buildings as part of the Families First Housing Program. This is a principal only loan with a term of 10 years. The repayment terms of the note are being forgiven as long as CCDBR can establish proof of services paid for by using non-federal funds equal to or greater than the annual repayment amount.

#### 8. Pension Plan

Effective June 30, 2009, employee benefits under the Catholic Diocese of Baton Rouge defined benefit pension plan (the Plan) were frozen and a defined contribution (401(k)) plan was started as of July 1, 2009. Employer contributions at the rate of 5% of eligible payroll are to be used to fund the obligations which are currently unfunded.

The 401(k) Plan covers all full time employees. Eligible employees are automatically enrolled after the first three months of employment but may choose to opt out of participation in the plan. The Diocese matches 100% of the first 2% of elective contributions not to exceed 2% of compensation and participants can elect to contribute between 4% and 98% of compensation. The plan offers both pre-tax and Roth options. For the year ended June 30, 2013, employer contributions of \$169,479 were made to the plan.

#### **NOTES TO FINANCIAL STATEMENTS**

#### 12. Promise to Give - United Way Funding

On May 21, 2013, the Capital Area United Way notified CCDBR of its current fiscal year allocation of \$413,500. This allocation is considered a temporarily restricted contribution and is recorded as an unconditional promise to give as of June 30, 2013.

#### 13. Endowed Net Assets

Effective July 1, 2010, the Louisiana legislature enacted Act No. 168 ("Act") to implement the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as the standard for the management and investment of institutional funds in Louisiana. The Act permits an institution to appropriate for expenditure or accumulate so much of an endowment fund as the institution determines is prudent for the uses, benefits, purposes, and duration for which the endowment fund was established, subject to the intent of the donor as expressed in the gift instrument. The expenditure of funds from these endowments is limited to the income from the investment of principal. The funds are under the direction and control of the Executive Director of the Organization.

The Organization received a permanently restricted donation in the form of a certificate of deposit during 2006. This is the only permanently restricted asset of the Organization. As such, a formal policy for spending has not been established. Investment earnings are recorded in current year operations as increases in temporarily restricted net assets until these earnings receive appropriation for expenditure.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors and Management Catholic Charities of the Diocese of Baton Rouge, Inc. Baton Rouge, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the statement of financial position and the related statements of activities and changes in net assets, functional expenses and cash flows of Catholic Charities of the Diocese of Baton Rouge, Inc.(CCDBR) (a non-profit organization) as of and for the year ended June 30, 2013 and the related notes to the financial statements, and have issued our report thereon dated December 30, 2013.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Catholic Charities of the Diocese of Baton Rouge's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of CCDBR's internal control. Accordingly, we do not express an opinion on the effectiveness of Catholic Charities of the Diocese of Baton Rouge's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a control deficiency, or a combination of control deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether CCDBR's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of CCDBR's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### Auditors' Responsibility

Our responsibility is to express an opinion on CCDBR's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about CCDBR's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major program. However, our audit does not provide a legal determination on CCDBR's compliance.

#### Opinion on Each Major Federal Program

In our opinion, CCDBR complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2013.

#### Report on Internal Control Over Compliance

The management of CCDBR is responsible for establishing and maintaining effective internal control over compliance with requirements referred to above. In planning and performing our audit of compliance, we considered CCDBR's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of CCDBR's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal controls over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

#### SUMMARY SCHEDULE OF PRIOR YEAR AUDIT FINDINGS

#### 2012-1) Eligibility - Assessment of Participants

### U.S. Department of Labor:

Pass through from the State of Louisiana –Division of Administration –
Governor's Office of Elderly Affairs

#### 17.235 Senior Community Service Employment Program (SCSEP)

Grant No:

703519

Criteria:

Under the terms of the grant award, the Organization must visit host agencies with active

participants in the program at least twice per twelve month period.

Condition:

Out of a sample of fifty-one participants, one participant file lacked documentation of two

site visits being performed during a twelve month period.

Cause:

Staff turnover in this department had resulted in an established process being followed

inconsistently.

Questioned Costs:

Not applicable

Effect:

The Organization is non-compliant with the terms of the grant award.

Recommendation:

The Organization should review established procedures to ensure that each participant's

file is clearly documented with the dates and times of work site visits.

**Updated Status:** 

Resolved.

#### SUMMARY SCHEDULE OF PRIOR YEAR AUDIT FINDINGS

C. Findings and Questioned Costs - Major Federal Award Programs (continued)

2012-2) Monitoring of Sub-recipients

U.S. Department of Health and Human Services:

Pass through from the Administration for Children and Families, Office of Refugee Resettlement

93.583 Refugee and Entrant Assistance – Wilson/Fish Program

Grant No:

90RW0037/02

Criteria:

OMB Circular A-133 and the A-102 Common Rule indicate that a pass-through entity is responsible for monitoring the activities of its sub-recipients as necessary to ensure that Federal awards are used for authorized purposes in compliance with laws, regulations, and the provisions of contracts or grant agreements and that performance goals are

achieved.

Condition:

Catholic Charities is the State coordinator and administers the Wilson-Fish Program. In considering the Organization's compliance with its monitoring requirements, we noted that monitoring activities consisted of desk reviews of monthly reimbursement requests and on-site visits. However, the Organization's monitoring process does not include obtaining a sub-recipient's audited financial statements.

The Organization was unaware of the new requirement of obtaining annual audits.

Questioned Costs:

Not applicable

Effect:

Cause:

The Organization not obtaining a sub-recipient's audited financial statement could present a risk that non-compliance exists at the sub-recipient level without timely

detection by the pass-through entity.

Recommendation:

The Organization should develop and document a process for obtaining financial audits and OMB Circular A-133 compliance reports of its sub-recipients. And, if applicable, the Organization should document its follow-up with compliance findings and corrective

action plans identified in such reports.

**Updated Status:** 

Resolved.

Board of Directors Catholic Charities of the Diocese of Baton Rouge, Inc. Baton Rouge, Louisiana

In planning and performing our audit of the financial statements of Catholic Charities of the Diocese of Baton Rouge, Inc. (CCDBR) as of and for the year ended June 30, 2013, we considered CCDBR's internal controls, compliance with laws and regulations having a material effect on financial reporting in order to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure or on compliance.

However, during our audit, we became aware of an internal control matter that also represents an opportunity for enhanced internal control and compliance with laws and regulations and financial reporting. The following paragraphs summarize our comments and suggestions regarding the matter. This letter does not affect our report dated December 30, 2013 on the financial statements of CCDBR.

#### Observation 2013-1 Senior Employment Program - Documentation

P&N notes both host agency and participant visits are required in accordance with the grant agreement. While these visits are being completed, files lack a consistent documentation process of such visits.

#### Recommendation

We recommend that CCDBR develop a form be included within each host agency and participant file which clearly documents the dates of the host agency visits as well as the individual performing the visit and which participant is being assessed.

#### Management's Response:

CCDBR will implement the recommendations as prescribed above.
