James Chapel Church of God in Christ
In the Beginning After School and Summer Enrichment

Baton Rouge, Louisiana
For the year ended December 31, 2006

I have compiled the basic financial statements of James Chapel Church of God in Christ-In the Beginning After School and Summer Enrichment as of and for the year ended December 31, 2006, and have issued my report thereon dated June 27, 2007. I prepared the compilation in accordance with standards established by the Statements for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

Financial Statement Findings

Prior year compiled financial statements not submitted to legislative auditor timely.

Criteria: Organization financial statements are required to be submitted to the Office of the Legislative Auditor within six months after the end of the agency's fiscal year end.

Effect: The organization was not in compliance with Louisiana Revised Statute 24:513 requiring submission of current financial statements to the Legislative Auditor within six months after the agency's fiscal year end.

Cause: Contractor performance and administrative oversight. The organization's offices were looted and records were destroyed after Hurricane Katrina.

Recommendation: The organization should consider requiring the contracted firm to submit accounting information within 90 days after fiscal year end in order to avoid late report submissions in the future. Records should be protected in secured storage areas to prevent unauthorized entry.

Corrective Action Taken: Corrective measures were taken and the organization had no further findings for the period ended December 31, 2006.
