Independent Accountant's Review Report

To the Board of Commissioners
Richland Parish Communication District
Richland Parish Police Jury
Rayville, Louisiana

I have reviewed the accompanying financial statements of the business-type activities of the Richland Parish Communication District, State of Louisiana, a component unit of the Richland Parish Police Jury, as of and for the year ended December 31, 2013, which collectively comprise the District's basic financial statements, listed in the table of contents. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the management of the Richland Parish Communication District. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

The management of the Richland Parish Communication District is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

My responsibility is to conduct the review in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. I believe that the results of my procedures provide a reasonable basis for my report.

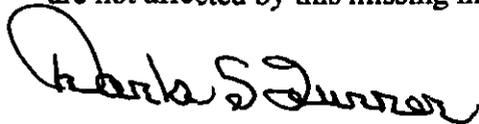

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on page 22 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context. Such

information has not been audited, reviewed or compiled by me , and I do not express an opinion or provide any assurance on it.

In accordance with the *Louisiana Governmental Audit Guide* and the provisions of state law, I have issued a report, dated June 26, 2014, on the results of my agreed-upon procedures.

Management has omitted the management's discussion and analysis information that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting, and for placing the basic financial statements in an appropriate operational, economic or historical content. The results of my review of the basic financial statements are not affected by this missing information.

A handwritten signature in black ink, appearing to read "Darla S. Turner". The signature is written in a cursive style with a large initial "D".

RICHLAND PARISH COMMUNICATION DISTRICT
A Component Unit of the
RICHLAND PARISH POLICE JURY
Rayville, Louisiana

Notes to the Financial Statements
As of and for the Year Ended December 31, 2013

INTRODUCTION

Richland Parish Communication District was created by resolution of the Richland Parish Police Jury on January 16, 1990, for the purpose of installation, maintenance, and operation of a 911 emergency system in Richland Parish. A board of commissioners consisting of seven members governs the district. The board is appointed by the Richland Parish Police Jury and serves a four-year term. The commissioners receive no compensation for their services.

GASB Statement No. 14, *The Reporting Entity*, established criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Under provisions of this Statement, the Richland Parish Communication District is considered a component unit of Richland Parish Police Jury. As a component unit, the accompanying financial statements are included within the reporting of the primary government, either blended into those financial statements or separately reported as discrete component units.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net assets and the statement of changes in net assets) report information on all of the nonfiduciary activities of the Richland Parish Communication District. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

RICHLAND PARISH COMMUNICATION DISTRICT
A Component Unit of the
RICHLAND PARISH POLICE JURY
Rayville, Louisiana

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds and proprietary funds. All individual governmental funds and individual enterprise funds are reported as separate columns in the fund financial statements. The District is reported as a proprietary fund with no governmental funds.

B. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The Proprietary Fund is accounted for on a flow of economic resources, measurement focus. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Revenues:

Wireline

On November 6, 1990 the voters of Richland Parish approved a levy not to exceed 5% of the highest tariff rate approved by the Public Service Commission, on each private and commercial telephone to fund the enhanced 911 emergency telephone services. Beginning January 1, 1991 a service charge of \$.84 per residential and \$1.68 per commercial telephone

RICHLAND PARISH COMMUNICATION DISTRICT
A Component Unit of the
RICHLAND PARISH POLICE JURY
Rayville, Louisiana

Notes to the Financial Statements (Continued)

line was collected. The telephone companies remit monthly collections (less an administrative fee) to the District by the fifteenth (15th) day of the following month. Currently, there are approximately 2,824 residential and 1,221 commercial lines in the parish.

Wireless

On December 12, 2005 a board resolution was approved to begin collection of .85 (eighty-five cents) per wireless phone service. This requires the cellular and broadband PCS licensees and certain wireless licensees to initiate action for the provision of Phase I E-911 service (as defined in the FCC Order), which will enable such licensees to relay a caller's mobile directory number information and the location of a cell site receiving a 911 call to the designated Communications District. Each wireless phone company operating within Richland Parish was notified and began remitting in May, 2006.

Expenses

The District records expenses when the liability has been incurred.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in both the government-wide and proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The government has elected not to follow subsequent private-sector guidance.

C. Deposits and Investments

The entity's cash and cash equivalents are considered to be cash on hand, demand deposits, and long-term investments with original maturities of three months or less from the date of acquisition. State law and the District's investment policy allow

RICHLAND PARISH COMMUNICATION DISTRICT
A Component Unit of
RICHLAND PARISH POLICE JURY
Rayville, Louisiana

Notes to the Financial Statements (Continued)

the entity to invest in collateralized certificates of deposits, government backed securities, commercial paper, the state sponsored investment pool, and mutual funds consisting solely of government backed securities.

Investments for the District are reported at fair value.

D. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements

E. Capital Assets

Capital assets, which include property, plant, and equipment, are reported in the Statement of Net Assets. Capital assets are capitalized at historical cost or estimated cost if historical cost is not available. Donated assets are recorded as capital assets at their estimated fair market value at the date of donation. The District maintains a threshold level of \$500 or more for capitalizing capital assets.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets is included as part of the capitalized value of the assets constructed.

All capital assets, other than land, are depreciated using the MACRS method over the following useful lives:

<u>Description</u>	<u>Estimated Lives</u>
Building Improvements	39 years
Furniture and fixtures	7 years
Equipment	5 to 7 years

RICHLAND PARISH COMMUNICATION DISTRICT
A Component Unit of the
RICHLAND PARISH POLICE JURY
Rayville, Louisiana

Notes to the Financial Statements (Continued)

F. Compensated Absences

The District has the following policy relating to vacation and sick leave:

Vacation leave is accrued on the basis of length of service:

1 to 10 years	10 days per year
10 and over	15 days per year

This may not be accumulated from year to year. Upon separation, payment for the accrued leave up to the date of separation shall be paid.

Sick leave is accrued 6 days per year. Employees who resign or who are terminated shall not receive pay for accrued sick leave.

The District's recognition and measurement criteria for compensated absence follows:

GASB Statement No. 16 provides that vacation leave and other compensated absences with similar characteristics should be accrued as a liability as the employees earn the benefits if both of the following conditions are met:

- a. The employees' rights to receive compensation are attributable to services already rendered.
- b. It is probable that the employer will compensate the employees for the benefits through paid time off or some other means, such as cash payments at termination or retirement.

GASB Statement No. 16 provides that a liability for sick leave should be accrued using one of the following termination approaches:

1. An accrual for earned sick leave should be made only to the extent it is probable that the benefits will result in termination payments, rather than be taken as absences due to illness or other contingencies, such as medical appointments and funerals.

RICHLAND PARISH A Component COMMUNICATION DISTRICT
A Component Unit of the
RICHLAND PARISH POLICE JURY
Rayville, Louisiana

Notes to the Financial Statements (Continued)

2. Alternatively, a governmental entity should estimate its accrued sick leave liability based on the sick leave accumulated at the balance sheet date by those employees who currently are eligible to receive termination payments as well as other employees who are expected to become eligible in the future to receive such payments.

No accrual has been based upon (a) above.

G. Long-term Obligations

The district has no long-term obligations as of December 31, 2013.

H. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures, and expenses during the reporting period. Actual results could differ from those estimates.

2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

BUDGET INFORMATION: The District uses the following budget practices:

Preliminary budget for the ensuing year is prepared by the president during November of each year. At the December meeting the budget is available for public inspection and is approved prior to the end of the meeting. All annual appropriations lapse at year-end.

The budget comparison statements included in the accompanying financial statements reflect the original adopted budget including all amendments made during the year.

RICHLAND PARISH POLICE JURY
Rayville, Louisiana

Notes to the Financial Statements (Continued)

3. CASH AND CASH EQUIVALENTS

At December 31, 2013, the District has cash and cash equivalents (book balances) totaling \$817,284 as follows:

Demand Deposits	\$ 100
Interest-bearing demand deposits	385,327
Time Deposits	<u>431,857</u>
Total	<u>\$817,284</u>

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

At December 31, 2013, the District has \$817,284 in deposits (book balances). These deposits are secured from risk by federal deposit insurance from two banks in the amount of \$500,000 and pledged securities in the amount of \$688,988.

4. RECEIVABLES

The receivables of \$2,415 at December 31, 2013, are as follows:

Rayville, Louisiana

Notes to the Financial Statements (Continued)

7. RETIREMENT SYSTEMS

Plan Description: Substantially all employees of the Richland Parish Communication District are members of the Parochial Employees' Retirement System of Louisiana (System), a cost-sharing, multiple-employer defined benefit pension plan administered by a separate board of trustees. The System is composed of two distinct plans, Plan A and Plan B, with separate assets and benefit provisions. All full time employees of the District are members of Plan A. All permanent employees working at least 28 hours per week who are paid wholly or in part from parish funds and all elected parish officials are eligible to participate in the System. Under Plan A, employees who retire at or after age 60 with at least 10 years of creditable service, at or after age 55 with at least 25 years of creditable service or at any age with at least 30 years of creditable service are entitled to a retirement benefit, payable monthly for life, equal to 3% of their final average salary for each year of creditable service. However, for those employees who were members of the supplemental plan only before January 1, 1980, the benefit is equal to 1% of final average salary plus \$24 for each year of supplemental-plan-only service earned before January 1, 1980. Final-average salary is the employee's average salary over the 36 consecutive or joined months that produce the highest average. Employees who terminate with at least the amount of creditable service stated above and do not withdraw their employee contributions may retire at the ages specified above and receive the benefit accrued to their date of termination. The System also provides death and disability benefits. Benefits are established or amended by state statute.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Parochial Employee's Retirement System, Post Office Box 14619, Baton Rouge, Louisiana 70898-4619, or by calling (504) 928-1361.

Funding Policy: Under Plan A, members are required by state statute to contribute 9.5% of their annual covered salary and the District is required to contribute at an actuarially determined rate. The current rate is 15.75% of annual covered payroll. Contributions to the System also include one-fourth of 1% (except Orleans and East Baton Rouge

RICHLAND PARISH COMMUNICATION DISTRICT
A Component Unit of the
RICHLAND PARISH POLICE JURY
Rayville, Louisiana

Notes to the Financial Statements (Continued)

Parishes) of the taxes shown to be collectible by the tax rolls of each parish. These tax dollars are divided between Plan A and Plan B based proportionately on the salaries of the active members of each plan. The contribution requirements of plan members and the District are established and may be amended by state statute. As provided by R.S. 11:103, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year. The District's contributions to the System under Plan A for the years ending December 31, 2013, 2012 and 2011, were \$7,451, \$8,041 and \$5,474, equal to the required contributions for each year.

8. LEASES

The District does not record items under capital leases as an asset and an obligation in the accompanying financial statements. The following is an analysis of capital leases:

Equipment \$136,634

The following is a schedule of future minimum lease payments under capital leases, together with the present value of the net minimum lease payments, as of December 31, 2013:

<u>Fiscal Year</u>	<u>Equipment</u>
2008	\$ 7,453
2009	29,811
2010	29,811
2011	29,811
2012	29,811
2013	<u>9,937</u>
Total minimum lease payments	136,634
Less amounts representing interest	<u>11,635</u>
Present value of net minimum Lease payments	<u>\$125,000</u>

The District has no operating leases as of December 31, 2013. The District will issue a request for proposals in 2014 for the new operating equipment. At the expiration of the

RICHLAND PARISH COMMUNICATION DISTRICT
A Component Unit of the
RICHLAND PARISH POLICE JURY
Rayville, Louisiana

Notes to the Financial Statements (Continued)

lease in October, 2013, the District continued to lease the equipment on a month to month basis at the original lease price. This arrangement will continue in 2014 until such time as new equipment is purchased and operating.

**9. RESERVED AND DESIGNATED RETAINED
EARNINGS/FUND BALANCES**

The District has restricted net assets of \$431,857 for the replacement of equipment for 911 purposes. Also the District has marked funds for future wireless transition.

**10. ADDENDA TO FINANCIAL REPORT REQUIRED BY LRS 33:9101 ET
SEQ**

In accordance with LRS 33:9101 et seq. and the Legislative Auditor Memorandum dated March 22, 2000, the following is a summary of revenues derived from wireless service charges, how such funds were expended, and the progress of implementation.

According to the statute, the District is to collect the tax from the providers of wireless communications. The proceeds of the tax are restricted in use for payment of service suppliers' and the District's costs associated with the implementation of Phase I and Phase II enhancements required by the FCC. Once these expenditures have been made and the system implementation is complete, the proceeds become unrestricted and may be used for any lawful purpose of the District. The Revised Statutes further provide that parishes, such as Richland Parish, with a population of between 20,000 and 30,000 (from the latest census) and wireless service providers in the District shall complete all necessary enhancements for wireless 911 service within eighteen months of the initial levy of the service charge. The collection of the Wireless E911 tax is authorized by Louisiana Revised Statute 33:9109. As of December 31, 2012, the Richland Parish Communication District has received a total of \$1,575,362 with the first charge to wireless customers being in April, 2006 and the first stream of revenues coming to the District in May, 2006. Wireless service providers were notified by letter, June 8, 2006, that all action necessary to implement the enhancements should be completed within six months excluding extension requests. As of December 31, 2012, Phase I and Phase II are complete.

Notes to the Financial Statements (Concluded)

11. RISK MANAGEMENT

The District is exposed to various risks related to torts, damage to, and destruction of assets; errors and omissions, injuries to employees and natural disasters. The District has an employee fidelity bond in the amount of \$10,000 and a Board of Directors' errors and omissions insurance policy (with a limit of \$1,000,000) to reduce risk exposure.

RICHLAND PARISH COMMUNICATION DISTRICT

RICHLAND PARISH POLICE JURY

**Independent Accountant's Report
on Applying Agreed-Upon Procedures**

To the Management of the Richland Parish Communications District:

I have performed the procedures included in the *Louisiana Government Audit Guide* and enumerated below, which were agreed to by the management of the Richland Parish Communications District and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about Richland Parish Communications District's compliance with certain laws and regulations during the year ended December 31, 2013, included in the accompanying *Louisiana Attestation Questionnaire*. This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Public Bid Law

1. Select all expenditures made during the year for material and supplies exceeding \$30,000, or public works exceeding \$150,000, and determine whether such purchases were made in accordance with LSA-RS 38:2211-2296 (the public bid law) R.S. 39:1551-39:1775 (the state procurement code), whichever is applicable.

My review of expenditure totals and the detailed general ledger revealed no purchases of materials and supplies exceeding \$30,000. No individual expenditure for or exceeding \$150,000 for public works was noted.

Code of Ethics for Public Officials and Public Employees

2. Obtain from management a list of the immediate family members of each board member as defined by LSA-RS 42:1101-1124 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.

Management provided me with the required list including the noted information.

3. Obtain from management a listing of all employees paid during the period under examination.

Management provided me with the required list.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

None of the employees included on the list of employees provided by management [agreed-upon procedure (3)] appeared on the list provided by management in agreed-upon procedure (2).

Budgeting

5. Obtained a copy of the legally adopted budget and all amendments.

Management provided me with a copy of the original budget. There was one amendment to the budget during the year.

6. Trace the budget adoption and amendments to the minute book.

I traced the adoption of the original budget to the minutes of a meeting held on December 15, 2011, which indicated that the budget had been adopted by the Board of Commissioners of the Richland Parish Communications District by a unanimous vote of those present. The original budget was amended and approved at the December 22, 2012 board meeting.

7. Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues failed to meet budgeted revenues by 5 % or more or if actual expenditures exceed budgeted amounts by 5% or more.

I compared the revenues and expenditures of the final budget to actual revenues and expenditures. Actual expenditures for the year did not exceed the budgeted amounts by more than 5%. The budgeted revenues were not less than 5% of the budgeted amounts.

A budget to actual schedule was presented in the supplementary information in the financial statements.

8. Randomly select 6 disbursements made during the period under examination and:

(a) trace payments to supporting documentation as to proper amount and payee;

I examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

(b) determine if payments were properly coded to the correct fund and general ledger account; and

(c) determine whether payments received approval from proper authorities.

I examined supporting documentation for each of the selected disbursements and found that the payments were for the proper amounts and made to the correct payees; were properly coded to the correct general ledger accounts; and received approval from the accountant.

Meetings

9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:11 through 42:28 (the open meetings law).

Richland Parish Communication District is only required to post a notice of each meeting and the accompanying agenda on the door of the district's office building. There are notices placed on a specific board on the door of the 911 office in Rayville.

Debt

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of bank loans, bonds, or like indebtedness.

I inspected the detailed general ledger for the period under examination and noted no deposits or which appeared to be proceeds of bank loans, bonds, or like indebtedness.

Advances and Bonuses

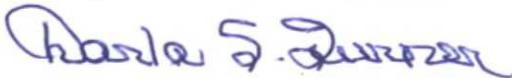

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advance, or gifts.

A reading of the minutes of the district for the year indicated no approval for the payments noted. I also inspected payroll records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts. In addition, I inquired of the Chairman. He informed me that there were no bonuses, advances or gifts to employees during the period under review.

The prior year review did not include any comments or unresolved matters.

I was not engaged to, and did not, perform an audit, the objective of which would be the expression of an opinion on management's assertions. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of management of Richland Parish Communications District and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
