INDEPENDENT AUDITORS' REPORT

Board of Commissioners
Ware Youth Center
Rt. 1, Box 6000
Coushatta, Louisiana 71019

We have audited the accompanying basic financial statements of the Ware Youth Center, Coushatta, Louisiana, as of and for the year ended June 30, 2003, as listed in the table of contents. These basic financial statements are the responsibility of management of the Ware Youth Center. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the Ware Youth Center as of June 30, 2003, and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued a report dated October 24, 2003, on our consideration of the Ware Youth Center's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

The Management's Discussion and Analysis and the budgetary information on pages 2 through 6 and 22, respectively, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.

Management Discussion and Analysis

Basic Financial Statements

Required Supplementary Information
(Other than MD&A)

These financial statements consist of three sections - Management's Discussion and Analysis (this section), the basic financial statements (including the notes to the financial statements), and required supplementary information.

Basic Financial Statements

This annual report consist of a series of financial statements. The Statement of Net Assets and the Statement of Activities (on pages 7 and 8) provide information about the activities of the Ware Youth Center as a whole and present a longer-term view of the Center's finances. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

The Statement of Net Assets and the Statement of Activities report the Center's net assets and changes in them. You can think of the Center's net assets, the difference between assets and liabilities, as one way to measure the Center's financial health, or financial position. Over time, increases or decreases in the Center's net assets are one indicator of whether its financial health is improving or deteriorating.

Fund financial statements start on page 9. All of the Center's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short term view of the Center's general government operations and the basic services it provides. Governmental fund information helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the Center's activities as well as what remains for future spending.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2003

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Ware Youth Center was created by Act 833 of the 1986 Legislature, which enacted Part XI-A of Chapter 7 of Title 15 of the Louisiana Revised Statutes of 1950 to be comprised of R.S. 15:1097 through 1097.5 to establish and provide for the purposes and functions of the Ware Youth Center for the parishes of Bienville, Claiborne, DeSoto, Natchitoches, Red River, Sabine, and Webster. The Center's funding is provided by enabling legislation which grants the power to levy taxes, incur debt and issue bonds, and by R.S. 15:1095.6 which provides for the imposition of court costs in certain juvenile and criminal proceedings in all courts within the area of its jurisdiction. Act 147 of the 1991 Legislature amended and reenacted R.S. 15:1097 through 1097.2 and enacted Subpart G of Part XI of Chapter 7 of Title 15 of the Louisiana Revised Statutes of 1950, comprised of R.S. 15:1099.1 through 1099.7 which authorized any parish governing authority having a youth center and any juvenile detention authority to enter into a lease or lease-purchase contract for construction, operation, and maintenance of a youth center within the parish and authorized other parishes to enter into participation agreements with a parish having a youth center to sublease space and house juveniles at the center.

Act 147 amended the territorial jurisdiction of the Ware Youth Center to include the parishes of Claiborne, DeSoto, Natchitoches, Red River, Sabine, and Webster. However, Act 147 allowed Claiborne Parish to withdraw from membership and participation in the Center during the period beginning September 1, 1991 and ending December 31, 1991. This parish elected to withdraw from participation in the Center. At June 30, 2003, the parishes of DeSoto, Natchitoches, Red River, Sabine and Webster were included in the territorial jurisdiction of the Ware Youth Center.

The purpose of the Center is to assist and afford opportunities to preadjudicatory and postadjudicatory children who enter the juvenile justice system to become productive, law-abiding citizens of the community, parish, and state by the establishment of rehabilitative programs within a structured environment and to provide physical facilities and related services for children throughout the parishes belonging to the Center including the housing, care, supervision, maintenance, and education of juveniles under the age of seventeen years, and for juveniles seventeen years of age and over who were under seventeen years of age when they committed an alleged offense.

A. Basis of Accounting

In April of 1984, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governmental entities. The GASB has issued a Codification of Governmental Accounting and Financial Reporting Standards (GASB Codification). This Codification and subsequent GASB pronouncements are recognized as generally accepted accounting principles for state and local governments. The accompanying financial statements have been prepared in accordance with such principles.

The accompanying financial statements of the Ware Youth Center consist only of the transactions and activity of the Ware Youth Center as authorized by Louisiana statutes.

Basis of accounting refers to when revenues and expenses are recognized and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The accounts of the Ware Youth Center are maintained in accordance with applicable statutory provisions as follows:

WARE YOUTH CENTER
COUSHATTA, LOUISIANA
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2003

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

A. Basis of Accounting (Continued)

Revenue Recognition

Revenues are recognized using the full accrual basis of accounting; therefore, revenues are recognized in the accounting period in which they are earned and become measurable.

Expense Recognition

Expenses are recognized on the accrual basis; therefore, expenses, including salaries, are recognized in the period incurred, if measurable.

B. Budgetary Accounting

Formal budgetary accounting is employed as a management control. The Ware Youth Center prepares and adopts a budget prior to July 1 of each year for its general fund in accordance with Louisiana Revised Statutes. The operating budget is prepared based on prior year's revenues and expenditures and the estimated increase therein for the current year, using the full accrual basis of accounting. The Ware Youth Center amends its budget when projected revenues are expected to be less than budgeted revenues by five percent or more and/or projected expenditures are expected to be more than budgeted amounts by five percent or more. All budget appropriations lapse at year end.

C. Cash and Cash Equivalents

The Ware Youth Center defines cash and cash equivalents as follows:

Cash - includes not only currency on hand but also demand deposits with banks or other financial institutions and other kinds of accounts that have the general characteristics of demand deposits in that the customer may deposit additional funds at any time and also effectively may withdraw funds at any time without prior notice or penalty.

Cash equivalents - includes all short term, highly liquid investments that are readily convertible to known amounts of cash and are so near their maturity that they present insignificant risk of changes in value because of interest rates. Generally, only investments which, at the day of purchase, have a maturity date no longer than three months qualify under this definition.

D. Receivables

All receivables are reported at their gross value and, where applicable, are reduced by the estimated portion that is expected to be uncollectible.

E. Bad Debts

Uncollectible accounts receivable are recognized as bad debts through the establishment of an allowance account at the time information becomes available which would indicate the uncollectibility of the particular receivable. At June 30, 2003, \$0 were considered to be uncollectible.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

F. Capital Assets

Capital assets are carried at historical costs. Depreciation of all exhaustible capital assets used by the Ware Youth Center are charged as an expense against operations in the Statement of Activities. Capital assets net of accumulated depreciation are reported on the Statement of Net Assets. Depreciation is computed using the straight line method over the estimated useful life of the assets, generally 20 to 40 years for buildings and building improvements and 5 to 10 years for moveable property. Expenditures for maintenance, repairs and minor renewals are charged to earnings as incurred. Major expenditures for renewals and betterments are capitalized.

G. Compensated Absences

The Ware Youth Center employees earn annual leave at various rates depending on the number of years in service. The maximum amount of annual leave that may be accumulated by each employee is 160. Upon termination, an employee is compensated for up to 160 hours of unused annual leave at the employee's hourly rate of pay at the time of termination.

H. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 DEPOSITS WITH FINANCIAL INSTITUTIONS AND INVESTMENTS

A. Deposits with Financial Institutions

For reporting purposes, deposits with financial institutions including savings, demand deposits, time deposits, and certificates of deposit. Under state law the Ware Youth Center may deposit funds within a fiscal agent bank selected and designated by the Interim Emergency Board. Further the Commission may invest in time certificates of deposit of state banks organized under the laws of Louisiana, national banks having their principal office in the state of Louisiana, in savings accounts or shares of savings and loan associations and savings banks and in share accounts and share certificate accounts of federally or state chartered credit unions.

Deposits in bank accounts are stated at cost, which approximates market. Under state law, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These pledged securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank in the form of safekeeping receipts mutually acceptable to both parties. The deposits at June 30, 2003 were secured as follows:

NOTE 7 RETIREMENT COMMITMENTS

The Ware Youth Center participates in two cost-sharing multiple employer statewide retirement systems (PERS) for its employees. Each retirement system is administered and controlled by a separate board of trustees.

Following is a brief description of each retirement system in which the Authority participates:

Louisiana State Employees' Retirement System

Substantially all employees of the Ware Youth Center are members of the Louisiana State Employees' Retirement System (LASERS), an agency of the State of Louisiana established under the provisions of Title 42, Chapter 10, of the Louisiana Revised Statutes of 1950. LASERS is a single employer public employee retirement system which is organized for the purpose of providing retirement and other benefits for employees of the State of Louisiana and its various departments and agencies and their beneficiaries. LASERS is administered and controlled by an eleven member Board of Trustees and is funded through member and employer contributions and investment earnings.

The age and years of creditable service required of a member to retire with full benefits are established by statute. These vary according to the member's employer and job classification. Benefits are available for regular retirement if the member has:

Thirty (30) years or more service at any age

Twenty-five (25) years or more service at age fifty-five (55)

Ten (10) years or more service at age sixty (60)

The basic annual retirement benefit for most members is equal to 2.5% of the average compensation for their thirty-six (36) highest consecutive earnings months multiplied by the number of years of creditable service plus \$300. Participants who become members of LASERS on or after July 1, 1986 are not eligible for the \$300 addition to the annual retirement benefit formula.

Average compensation is defined as the member's average annual earned compensation for the period of 36 consecutive months of employment during which the member's total earned compensation was greatest. The maximum annual retirement benefit cannot be more than the lesser of 100% of average compensation, or for individuals joining the system after January 1, 1990, the specific dollar amounts of actuarially determined monetary limits which vary depending upon the member's age at retirement.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Louisiana State Employees' Retirement System, Post Office Box 44213, Baton Rouge, Louisiana, 70804, or by calling 1-800-256-3000.

Plan members are required by state statute to contribute 7.0 percent of their annual covered salary and the Ware Youth Center is required to contribute at an actuarially determined rate. The current rate is 13.1 percent of annual covered payroll. The contribution requirements of plan members and the Ware Youth Center are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:103, the employee contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior year. The Center's contributions to the System for the year ending June 30, 2003 was \$188,448, equal to the required contribution.

Teachers' Retirement System of Louisiana

One employee of the Ware Youth Center is a member of the Teachers' Retirement System of Louisiana (the "System"). The System is the administrator of a cost sharing multiple - employer plan established and provided for within Title 11, Chapter 2, of the Louisiana Revised Statutes. The System provides pension benefits to employees who meet the legal definition of a "teacher". Ware Youth Center participates in the TRSL Regular Plan which requires mandatory enrollment for all employees that meet the legal definition of a "teacher" in accordance with Louisiana Revised Statutes 11:701 (23)(a).

The Teachers' Retirement System of Louisiana provides retirement, disability and survivor benefits. Service retirements vest after 10 years of credited service, disability after 5 years, provided the member is in active service at the time of filing an application for disability retirement. The formula for annual maximum retirement benefits is two (2) or two and one-half (2 ½) percent of final average salary for each year of credited service. Final average salary is based upon the member's highest successive thirty-six months of salary. Benefits are paid monthly for life. If a member dies prior to establishing eligibility for survivor benefits or leaves covered employment prior to vesting, accumulated member contributions are refunded.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Teachers' Retirement System of Louisiana, Post Office Box 94123, Baton Rouge, Louisiana, 70804-9123, or by calling (504) 925-6446.

Plan members are required by state statute to contribute 8.00 percent of their annual covered salary and the Ware Youth Center is required to contribute at an actuarially determined rate. The current rate is 13.1 percent of annual covered payroll. The contribution requirements of plan members and the Ware Youth Center are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:103, the employee contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior year. The Center's contribution to the System for the year ending June 30, 2003 was \$10,684, equal to the required contribution.

NOTE 8 LEASE OBLIGATIONS

The Ware Youth Center was not obligated under any capital or operating lease commitments at June 30, 2002.

NOTE 9 LITIGATION

The Ware Youth Center was not involved in any litigation at June 30, 2002.

NOTE 10 RISK MANAGEMENT

The Ware Youth Center is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Center maintains commercial insurance coverage covering each of those risks of loss. Management believes such coverage is sufficient to preclude any significant uninsured losses to the Center.

NOTE 11 CLAIMS AND JUDGMENTS

The Ware Youth Center participates in federal and state programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the Center may be required to reimburse the grantor government. The Center believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on any of the governmental funds or the overall financial position of the Center.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners
Ware Youth Center
Rt. 1, Box 6000
Coushatta, Louisiana 71019

We have audited the basic financial statements of the Ware Youth Center, Coushatta, Louisiana, as of and for the year ended June 30, 2003, and have issued our report thereon dated October 24, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Ware Youth Center's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Ware Youth Center's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatement in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operations that we consider to be material weaknesses.

This report is intended solely for the information and use of the Ware Youth Center and the Legislative Auditor of the State of Louisiana and is not intended to be, and should not be, used by anyone other than the specified parties.
