

## 2019 Millage Workshops

Below is a list of the 2019 millage workshops being conducted by the Tax Review Section of the Legislative Auditor's Office. All workshops will include explanation and discussion of the entire millage process (which includes reassessment, millage rates, and forms).

While these workshops are free of charge, **participants will be responsible for providing their own Setting Millage Rates book** by either printing it or viewing it electronically. The book can be found on the Legislative Auditor's website, [www.la.la.gov](http://www.la.la.gov), under the "Local Government Entities" or "Legal" icons and clicking on "Assessors & Millages."

Please use the contact information provided below to register for any of the scheduled dates. **Early registration is recommended as some will have limited space.** You must give your name, taxing district, phone number and email address when registering so we can contact you in case of emergency or if changes in the workshop location, date or time occur.
