

**SAMPLE REVIEW/ATTESTATION ENGAGEMENT AGREEMENT
GOVERNMENT AGENCY**

(Date)

(Addressed to the governing
board of the auditee)

Dear _____:

As certified public accountants licensed to practice in Louisiana, we are pleased that you have engaged our firm to review Any Parish Drainage District's financial statements as of and for the year ended June 30, 20X1, and to apply certain agreed-upon procedures relating to representations made by the management of the District. This letter will confirm our understanding of the terms and objectives of our engagement, and the nature and limitations of the services we will provide to the District.

We will perform a review/attestation engagement with respect to the basic financial statements of the District as of and for the year ended June 30, 20X1, as required by Louisiana Revised Statute 24:513.

Our Objectives The objective of our review engagement is to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

The objective of our attestation engagement is to apply the attached agreed-upon procedures to the representations contained in the Louisiana Attestation Questionnaire.

Our Responsibilities We will conduct our review engagement in accordance with *Statements on Standards for Accounting and Review Services* (SSARs) promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants (AICPA).

We will conduct our agreed-upon procedures engagement in accordance with *Statements on Standards for Attestation Engagements* (SSAEs), issued by the AICPA, and applicable provisions of *Government Auditing Standards*, published by the United States Comptroller General.

We will also comply with the AICPA's *Code of Professional Conduct*, including the ethical principles of integrity, objectivity, professional competence, and due care.

A review engagement includes primarily applying analytical procedures to your financial data and making inquiries of the District's management. A review engagement is substantially less in scope than an audit engagement, the objective of which is the expression of an opinion regarding the financial statements as a whole. A review engagement does not contemplate obtaining an understanding of the District's internal control; assessing fraud risk; testing accounting records by obtaining sufficient appropriate audit evidence through inspection, observation, confirmation, or the examination of source documents, or other procedures ordinarily performed in an audit engagement. Accordingly, we will not express an opinion regarding the financial statements.

The supplementary information accompanying the reviewed financial statements will be presented for purposes of additional analysis. The supplementary information will be compiled from information that is the representation of management, and will be subjected to the inquiry and analytical procedures applied in the review of the basic financial statements.

Our engagement cannot be relied upon to identify or disclose any financial statement misstatements, including those caused by fraud or error, or to identify or disclose any wrongdoing within the District, or noncompliance with laws and regulations. However, we will inform the appropriate level of management of any material errors and of any evidence or information that comes to our attention during the performance of our procedures that indicates that fraud may have occurred. In addition, we will inform you of any evidence or information that comes to our attention during the performance of our procedures regarding any wrongdoing within the District or noncompliance with laws and regulations that may have occurred, unless they are clearly inconsequential. Should we become aware of fraud or misappropriation

of funds we shall immediately notify, in writing, the Legislative Auditor and the appropriate law enforcement agency, including the local district attorney and sheriff.

We have no responsibility to identify and communicate deficiencies or material weakness in the District's internal control as part of this engagement.

Your Responsibilities The engagement to be performed is conducted on the basis that you acknowledge and understand that our responsibility is to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements in order for the statements to be in accordance with accounting principles generally accepted in the United States of America. You have the following overall responsibilities that are fundamental to our undertaking the engagement in accordance with SSARs:

- a) The selection of accounting principles generally accepted in the United States of America as the financial reporting framework to be applied in the preparation of financial statements
- b) The preparation and fair presentation of financial statements in accordance with accounting principles generally accepted in the United States of America and the inclusion of all informative disclosures that are appropriate for accounting principles generally accepted in the United States of America
- c) The design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements
- d) The prevention and detection of fraud
- e) To ensure that the District complies with the laws and regulations applicable to its activities
- f) The accuracy and completeness of the records, documents, explanations, and other information, including significant judgments, you provide to us for the engagement
- g) To provide us with (i) access to all information of which you are aware is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters; (ii) additional information that we may request from you for the purpose of the review engagement, and (iii) unrestricted access to persons within the District of whom we determine it necessary to make inquiries
- h) To provide us, at the conclusion of the engagement, with a letter that confirms certain representations made during the review

The district's management is also responsible for all management decisions and responsibilities, and for designating an individual with suitable skills, knowledge and experience to oversee any services we provide; evaluating the adequacy and results of the services performed, and accepting responsibility for such services.

Our Report We will issue a written report upon completion of our review of the District's financial statements. Our report will be addressed to the District's governing board. We cannot provide assurance that an unmodified accountant's review report will be issued. Circumstances may arise in which it is necessary for us to report known departures from accounting principles generally accepted in the United States of America; add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

The District agrees to include our accountant's review report in any document containing financial statements that indicate that we have performed a review engagement on such financial statements, and, prior to inclusion of the report, to ask our permission to do so.

Our report will have an other-matter paragraph that will describe the required supplementary information that is presented and/or omitted, as well as the supplementary information that is presented. The paragraph will state that the required supplementary information and supplementary information is the representation of the District's management, and will also inform the user that we reviewed all information presented, but do not express an opinion on the information presented.

We will also apply the agreed-upon procedures listed in the attached schedule, to the representations contained in the Louisiana Attestation Questionnaire, and will issue a report thereon, as required by Louisiana Revised Statute 24:513, as of and for the year ended June 30, 20X1.

The sufficiency of the agreed-upon procedures in the attached schedule is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described in the attached schedule, either for the purpose for which this report has been requested, or for any other purpose.

Because the agreed-upon procedures listed in the attached schedule do not constitute an examination, we will not express an opinion on them. In addition, we have no obligation to perform any procedures beyond those listed in the attached schedule.

Our report will be used by you and the Legislative Auditor but, in accordance with state law, the report will become a public record.

If, for any reason, we are unable to complete our review of your financial statements, we will not issue a report on such statements as a result of this engagement. If, for any reason, we are unable to complete the agreed-upon procedures, we will describe any restrictions on the performance of the procedures in our report, or will not issue a report as a result of this engagement. Should such situation arise, we will notify you and the Legislative Auditor.

The District's management has acknowledged to us its intent to complete the representations contained in the Louisiana Attestation Questionnaire, found in the Louisiana Governmental Audit Guide. The District's management is responsible for the representations contained in the Louisiana Attestation Questionnaire. Likewise, the District's management accepts responsibility for the District's compliance with the laws and regulations specified in the questionnaire and the effectiveness of the District's internal control over compliance with those laws and regulations.

Due Professional Care A review/attestation may not meet the needs of all report users, who may require additional information and assurances on the financial statements, internal control, and compliance with laws and regulations. In accordance with *Government Auditing Standards*, you should consider whether additional testing of financial statement amounts and presentations, controls, and compliance are necessary to supplement the coverage of these areas and to meet the reasonable needs of report users. These additional needs are quite often met by:

- An audit of financial statements conducted in accordance with *Government Auditing Standards*,
- Supplemental (or agreed-upon) procedures, or
- An examination of compliance or internal control resulting in an opinion.

If during the performance of our engagement we become aware that a review/attestation will not satisfy the requirements of all report users, laws, and regulations, we will notify you as soon as this comes to our attention. We will then submit another engagement letter for your approval that complies with the applicable requirements, and will submit the engagement to the Legislative Auditor for approval. We will consider all standards that may apply, but in particular, we will be cognizant of:

- State of Louisiana's audit law.
- Audit requirements of *Government Auditing Standards*.
- *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (2 CFR Chapter I and Chapter II, parts 200, 215, 225 and 230) requirements when federal award expenditures equal or exceed \$750,000 for the fiscal year.
- Bond requirements, either to issue bonds or as a bond indenture provision.
- Other contractual requirements.

We are available to discuss the expanded needs of report users, the nature of the expanded examinations, and the degree to which these type examinations, or other examinations, will meet the needs of the District and its report users.

Timing of Engagement It is our understanding that the accounting records will be available _____. We anticipate that the engagement will commence no later than _____ and that the reports will be issued no later than _____.

The Legislative Auditor will be notified immediately, in writing, if there are any changes in this agreement or if there are any restrictions placed on our staff during the engagement, to include failure to provide the appropriate books and records in a timely manner or denial of access to appropriate books and records, that would impact the scope of the engagement or the nature of the tests required under the previously discussed standards.

Compensation Our fees for all services are related to our standard hourly rates in effect at the time services are performed. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your engagement. Our fee for this engagement,

which we estimate, will not exceed \$____, including out-of-pocket expenses. This fee is based on the assumption that you will provide assistance, anticipated cooperation from your personnel, and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Any amendments to the not-to-exceed amount of the fees will be in writing and signed by both our firm and the District. Our invoices for these fees will be rendered each month as work progresses and are payable upon presentation.

If a multi-year engagement is entered into, all outstanding invoices for work performed during any prior engagement will be paid in full before work commences on the current engagement.

However, we will make our engagement documentation available to the Legislative Auditor, any successor auditor, or any organization of the Louisiana Board of Certified Public Accountants authorized to perform quality assurance reviews. We will follow the Legislative Auditor's policy regarding confidentiality of audit/engagement documentation found at Section 350.02 of the *Louisiana Governmental Audit Guide* when giving access to engagement documentation to any parties other than those previously named individuals and organizations.

Should we become aware of any illegal acts, we shall make our engagement documentation available to the local district attorney or any other state or federal enforcement or regulatory agency without liability. We will retain the engagement documentation for five years.

In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

Under the provisions of *Government Auditing Standards*, our ability to provide nonattest services may result in an impairment of our independence, and therefore may be limited for the duration of this engagement and for the period covered by this engagement. We will consult those standards and the Louisiana Legislative Auditor to determine whether such an impairment exists, prior to the performance of any nonattest services.

ATTACHMENT: AGREED-UPON PROCEDURES

With respect to your representations included within the Louisiana Attestation Questionnaire, as of June 30, 20X1 and for the year then ended, we will apply the following agreed-upon procedures:

Public Bid Law

1. Select all expenditures made during the year for material and supplies exceeding \$30,000, or public works exceeding \$150,000, and determine whether such purchases were made in accordance with R.S. 38:2211-2296 (the public bid law) or R.S. 39:1551-39:1755 (the state procurement code), whichever is applicable.

Code of Ethics for Public Officials and Public Employees

2. Obtain from management a list of the immediate family members of each board member as defined by R.S. 42:1101-1124 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.
3. Obtain from management a listing of all employees paid during the period under examination.
4. Determine whether any of those employees included in the listing obtained from management in agreed-upon Procedure 3 were also included on the listing obtained from management in agreed-upon Procedure 2 as immediate family members.

Budgeting

5. Obtain a copy of the legally adopted budget and all amendments.
6. Trace the budget adoption and amendments to the minute book.
7. Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues failed to meet budgeted revenues by 5 % or more, or if actual expenditures exceed budgeted amounts by 5% or more. (Note, state law exempts from the amendment requirements special revenue funds with anticipated expenditures of \$500,000 or less, and exempts special revenue funds whose revenues are expenditure-driven--primarily federal funds.). For agencies that must comply with the Licensing Agency Budget Act only, compare the expenditures of the final budget to actual expenditures to determine if actual expenditures exceed budgeted amounts by 10% or more per category or 5% or more in total.

Accounting and Reporting

8. Randomly select six disbursements made during the period under examination and: (a) trace payments to supporting documentation as to proper amount and payee, (b) determine if payments were properly coded to the correct fund and general ledger account, and (c) determine whether payments received approval from proper authorities.

Meetings

9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by R.S. 42:11 through 42:28 (the open meetings law).

Debt

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of banks loans, bonds, or like indebtedness.

Advances and Bonuses

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees that may constitute bonuses, advance, or gifts.

Prior Comments and Recommendations

12. Review any prior year suggestions, recommendations, and/or comments to determine the extent to which such matters have been resolved.
