We have reviewed the accompanying financial statements of Educational Solutions of Louisiana (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statement of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA, and the standards applicable to review engagements contained in *Government Auditing Standards*, issued by the United States Comptroller General. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Educational Solutions of Louisiana and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountants' Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS -1-
June 30, 2023

NOTE 1: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities – Educational Solutions of Louisiana (hereafter referred to as the Organization), a Louisiana non-profit organization, is domiciled in Holden, Louisiana. Its operations encompass the parish of Tangipahoa, Louisiana. Its mission is to offer academic enrichment activities for children by offering quality and enriching after school and summer educational programming to children in rural areas of Tangipahoa Parish. The Organization currently operates sites in Kentwood and Amite Louisiana, with each site averaging between 100-115 students.

The Organization's support comes primarily from the Federal 21st Century Grant Program administered through the Louisiana Department of Education. The Organization's grant agreement expired in August 2022 and was recently renewed for a period that runs through August 31, 2027.

The accounting policies of the Organization conform to accounting principles generally accepted in the United States of America as applicable to non-profit organizations. The significant accounting policies are as follows:

Method of Accounting – The financial statements of the Organization have been prepared utilizing the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Financial Statement Presentation – The Organizations reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions, which are described as follows:

Net Assets without Donor Restrictions are net assets that are not subject to donor-imposed restrictions and are available for use at The Organization's discretion. The only limits on the use of net assets without donor restrictions are the board limits resulting from The Organization, the operation in which it operates, the purposes specified in the corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered in the course of operations. As of June 30, 2022, The Organization had net assets without donor restrictions of \$42,421.

Net Assets with Donor Restrictions are net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. When the donor's restrictions are satisfied, either by using the resources in the manner specified by the donor or the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. Other donor-imposed restrictions are perpetual in nature, such as those that the donor stipulates the resources be maintained in perpetuity. As of June 30, 2022, The Organization had no net assets with donor restrictions.

Revenue Recognition – Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed, or expenditures are incurred, respectively. Contributions are recognized when cash, or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction. When a restriction expires, that is when a stipulated time restriction ends or the purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

Cash and Cash Equivalents – For purposes of the statements of cash flows, the Organization considers all, restricted and unrestricted, highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

NOTES TO FINANCIAL STATEMENTS -2-
June 30, 2023

NOTE 1: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Grant Receivables – Grants receivable are stated at net realizable value. The Organization maintains allowances for doubtful accounts for estimated losses resulting from the inability of its grantors to make required payments. Because collection is expected at 100%, an allowance for doubtful accounts has not been estimated in the current year.

Property and Equipment – Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as net assets without donor restrictions unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as net assets with donor restrictions. Property and equipment purchased by the Organization is recorded at cost. They are depreciated using the straight-line method over the estimated useful lives of the assets (10-25 years for buildings; 3-7 years for equipment/furniture). Capital assets with an original cost of \$2,500 or greater are capitalized. Currently the Organization has no property and equipment.

Contributions – Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Net assets with donor restrictions are reclassified to net assets without donor restrictions upon satisfaction of the time or purpose of the restriction. If a contributions' restriction is met in the same reporting period the contributions were received, the income is classified as net assets without donor restrictions.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Donated Goods and Services – No amounts have been reflected in the financial statements for donated goods or services. The Organization generally pays for services requiring specific expertise. The Organization received donated rent for use of the facilities for the two program sites. This donation is on a month to month basis. No value has been assigned to these in-kind donations as management was unable to quantify the value.

Advertising Expense – Advertising costs are expensed as incurred. The Organization paid zero dollars for advertising for the year ended June 30, 2023.

Functional Allocation of Expenses – The costs of providing the program and supporting services of the Organization have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. This allocation is summarized in the statement of functional expenses.

Income Taxes – The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no liability or expense has been recorded in the accompanying financial statements. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business taxable income (UBTI). In addition, the Organization qualifies for the charitable deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

The Organization may recognize the tax benefit from a tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of UBIT. The Organization has analyzed its tax position taken for filings with the Internal Revenues Services. The Organization believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results of operations, or cash flows.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates – Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. On an ongoing basis, management evaluates the estimates and assumptions based on new information. Management believes the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from those estimates.

NOTE 2: CASH AND CASH EQUIVALENTS

Cash and cash equivalents (book balances) include the following:

Demand deposits	\$ <u>23,437</u>
-----------------	------------------

NOTE 3: RELATED PARTY TRANSACTIONS

During the year, the executive director loaned funds to the Organization to cover expenses while the organization is waiting on grant revenues to be paid. These loans are borrowed from the executive director's personal line of credit. These loans have no stated maturity date and interest charged by the bank is passed on to the Organization. At the beginning of the year the balance of this loan was \$21,879 and during the year, the executive director loaned the Organization \$128,000. The Organization repaid the executive director \$149,879 and as of June 30, 2022, the balance owed to the executive director was \$21,879. During the year interest paid associated with this loan was \$4,372.

On December 15, 2022, the Entity loaned an the Executive Director \$20,000. This loan has no maturity date and no stated interest rate. As of June 30, 2023, the balance of this loan was \$20,000 and was included in other assets on the statement of financial position.

As of June 30, 2022, the Organization had a receivable from a related exempt organization run by the Executive Director's spouse of \$2,000. During the year the Organization borrowed funds totaling \$16,539 from this related exempt organization. These loans have no maturity date and no stated interest rate. At June 30, 2023, \$14,539 was owed by the Organization to this related exempt organization and is included in other liabilities on the statement of financial position.

NOTE 4: CONCENTRATIONS

The Organization received 100% of total revenue from the 21st Century Grant.

NOTE 5: LIQUIDITY OF ASSETS AND LIABILITIES

The liquidity of the Organization's assets and liabilities are as follows:

Cash	\$ 23,437
Plus Current Grants Receivable	<u>73,321</u>

Financial assets available to meet cash needs for general expenditures within one year	\$ <u>96,758</u>

NOTES TO FINANCIAL STATEMENTS -4-
June 30, 2023

NOTE 6: UNCERTAIN TAX POSITIONS

The Organization has adopted accounting rules that prescribe when to recognize and how to measure the financial statement effects, if any, of income tax positions taken or expected to be taken on its income tax returns. These new rules require management to evaluate the likelihood that, upon examination by relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, if it were more than 50% probable that a material amount of income tax would be imposed at the entity level upon examination by the relevant taxing authorities, a liability would be recognized in the accompanying balance sheet along with any interest and penalties that would result from that assessment. Should any such penalties and interest be incurred, the Organization's policy would be to recognize them as operating expense. Further, no interest or penalties have been accrued or charged to expense as of June 30, 2023 or for the year then ended.

The Organization's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of June 30, 2022, tax returns for 2020, 2021, and 2022 are subject to examination.

NOTE 7: NEW ACCOUNTING PRONOUNCEMENTS

In July 2022, the Organization adopted the Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2020-07, Not-for-Profit Entities (Topic 958), Presentation and Disclosures by Not-for-Profit Entities Contribute Nonfinancial Assets. The ASU required nonprofits to change their financial statement presentation and disclosure of contributed nonfinancial assets, or gifts-in-kind. The FASB issued the update in an effort to improve transparency in reporting nonprofit gifts-in-kind. The Organization's adoption of ASU No. 2020-07 had no effect on their financial statements.

In February 2016, the FASB issues ASU No. 2016-02, Leases (Topic ASC 842) intended to improve financial reporting regarding leasing transactions. The new standard affects all organizations that lease assets. The standard requires organizations to recognize, on the balance sheet, the assets and liabilities for the rights and obligations created by those leases if the lease terms are more than 12 months. The guidance also will require qualitative and quantitative disclosures providing additional information about the amounts recorded in the financial statements. The Organization elected to use the practical expedients while implementing ASC 842. There were no leases recognized on the balance sheet as of June 30, 2023.

NOTE 8: SUBSEQUENT EVENTS

The Organization has evaluated all subsequent events through December 11, 2023, the date the financial statements were available to be issued.
